Dear Mr Burgess

Thank you for consulting the Australian College of Nursing (ACN) regarding the Medical Technology Association of Australia's review of the Medical Technology Industry Code of Practice (The Code).

As the pre-eminent and national leader of the nursing profession, and a community of dynamic and passionate nurses, ACN welcomed this opportunity to assist in improvements to the existing code of practice.

After widely consulting our members, we received no feedback indicating any deficiencies, oversights or concerns in the current edition of the Code.

We wish your Working Group all the best in this process to release Code Edition 11, and look forward to the opportunity to contribute to the next scheduled review in 2022.

If you have any further inquiries, please contact me at your convenience.

Yours sincerely,

Dr Carolyn Stapleton FACN
Manager - Policy and Advocacy
