Champions of change

Let's celebrate together

For hundreds of years, nurses and midwives have tirelessly worked to improve the health and well-being of others. To celebrate their invaluable contribution to global health care, the World Health Organization has declared 2020 as the Year of the Nurse and the Midwife. Make 2020 your year to progress your career, take on new challenges, build connections and celebrate our profession. Visit acn.edu.au/2020 for ideas on how to get involved!
