ACN Representation learning slides and quiz

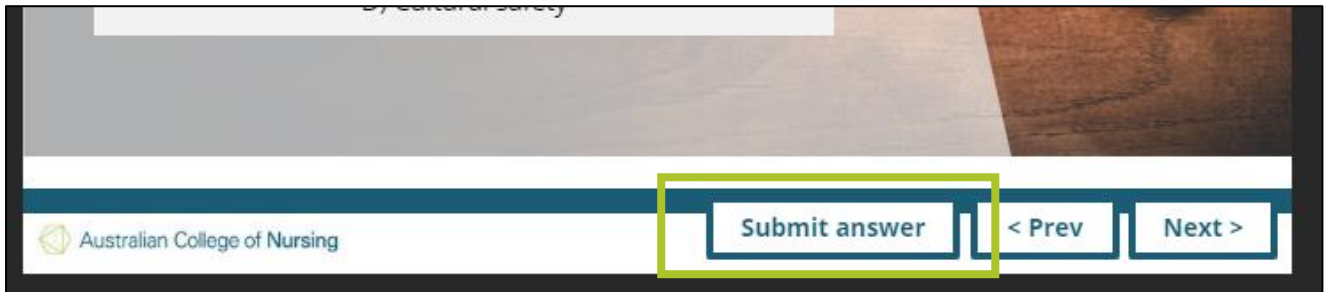

**Note:**

- You need to go through the learning slides and understand them
- You need to score 100% in the quiz in order for you to receive the certificate
- If you didn't score 100% in your previous attempt, please tick "Start a new attempt" before you click "Enter"
- You can download the certificate once you have fulfilled the completion requirements of this course.

ACN Representation Certificate

**Restricted** Not available unless: The activity **ACN Representation learning slides and quiz** is marked complete

- Completion of the module will require you to achieve a score of 100% in the quiz.
- If you didn't score 100% in your previous attempt, please tick 'Start a new attempt' before you click "Enter"
- You will be able to download a completion certificate once you have fulfilled the requirements of this course.
- Please make sure once you have selected your answer you click 'Submit answer'. This will ensure your answer is marked and added to your overall score.
